

FREE Virtual Event

HOW TO LOSE WEIGHT: MEDICATIONS, DIETS OR SURGERY

Join us for a free virtual event with Michael Snyder, MD of the Denver Center for Bariatric Surgery. Dr. Snyder will discuss science-based approaches to rational and sustainable weight loss, including surgical options.

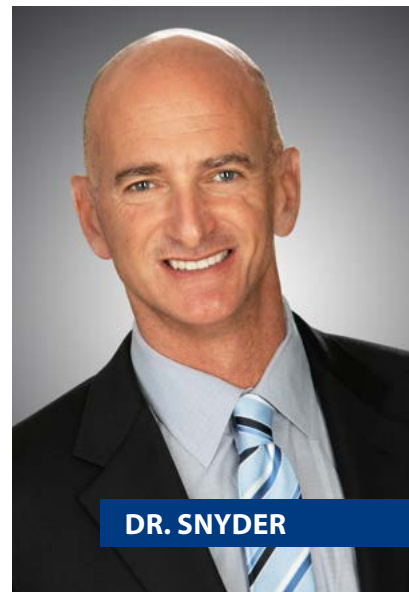

This virtual event will be offered:

Wednesday, September 27, 2023 | 5:30-6:30pm

Presented by:

Michael Snyder, MD, FACS, FASMBS

Physician with Denver Center for Bariatric Surgery and Medical Director of the Bariatric Surgery Center at Rose Medical Center. He is also the Founder and Director of the Denver Center for Bariatric Surgery Foundation.
